

Full name Khasanov Jamshid Ozodovich
Position Head of the Department of Mathematics and Computer Technologies
Telephone number +99897 451-72-89
E-mail jamshid_2425@mail.ru
Organization Urgench State Pedagogical Institute
Telephone number +99862 2293787
Address Urgench Gurlan Street 1A

Scientific level	2007-2011 yy. - Urgench State University Bachelor's Degree (Physics and Mathematics) 2012-2014 yy. - Mirzo Ulugbek National University of Uzbekistan Master's Degree (Applied Mathematics and Information Technology) 2020-2023 yy. - Urgench State University Senior Doctoral Student (Differential Equations and Mathematical Physics)
Experience	2007-2011 yy. - student of Urgench State University. 2011-2012 yy. - lecturer at the Industrial Professional College (Urgench district). 2012-2014 yy. - Postgraduate student at the National University of Uzbekistan named after Mirzo Ulugbek. 2014-2015 yy. - Senior lecturer at the Kibray Academic Lyceum at the Tashkent State Agrarian University. 2015-2016 yy. - Head of the computer room of the information Technology Center in the Urgench branch of the Tashkent Medical Academy. 2016-2021yy. - Lecturer at the Department of Applied Mathematics, Urgench State University. 2021-2023 yy. - Senior doctoral student at the Urgench State University. Specializing on "Differential Equations and Mathematical Physics" 2023-2024 yy. - Senior lecturer of the Department "Applied Mathematics and Mathematical Physics" at the Urgench State University. 2024-p.t. – Head of the Department of Physics and Mathematics Urgench State Pedagogical Institute.
Speciality	Doctor of Philosophy (PhD) in Physical and Mathematical Sciences
Subjects taught	Numerical methods, Differential equations, Mathematical Physics, Information Technology, Analytical Geometry, Linear Algebra.
Research work	Numerical modeling of nondivergent cross-diffusion problems in a two-component medium.
Scientific publications	18 scientific articles (SCOPUS and other prestigious journals), 12 conferences, abstracts and articles, 2 computer software (with registration documents)
Activity in the 2024-2025 academic year	Continues to conduct scientific and pedagogical activities as the Head of the Department of Mathematics and Computer Technologies at Urgench State Pedagogical Institute
