

Full name Yamgirova Gulshirin Tirkashovna
Position Lecturer at the Department of Mathematics and Computer Technologies, Urgench State Pedagogical Institute
Phone. +998883955696
E-mail. gulshirinyamgirova@gmail.com
Organization UrSPI
Number +998886013134
Address Urgench city, Gurlan street, house 1A

DEGREE	2018 – Nukus State Pedagogical Institute (full-time, Bachelor's degree) 2023 – Uzbekistan-Finland Pedagogical Institute (Master's degree)
EXPERIENCE	2018–2021: Mathematics Teacher at Secondary School No. 33, Gurlan District, Khorezm Region 2021–2023: Master's student at Uzbekistan-Finland Pedagogical Institute 2022–2024: Teacher at Specialized School, Pastdargom District, Samarkand Region, under the Presidential Education Institutions System 2024–2025: Trainee Lecturer at the Department of Physics and Mathematics, Urgench State Pedagogical Institute From September 2, 2025 (present): Trainee Lecturer at the Department of Mathematics and Computer Technologies, Urgench State Pedagogical Institute
SPECIALIZATION	Methodology of teaching exact and natural sciences (Mathematics)
COURSES TAUGHT	Analytical Geometry, Linear Algebra and Analytical Geometry, Methodology of teaching Mathematics, Mathematical Analysis
RESEARCH WORK	Numerical modeling of non-divergent cross-diffusion problems in two-component media
RESEARCH PAPERS	Yamgirova Gulshirin Tirkashovna, <i>The interdisciplinary importance of improving Mathematical literacy today</i> , Journal of International Scientific Research, Volume 2, Issue 9, May 2025, Online ISSN: 3030-3508, https://spaceknowladge.com Yamgirova Gulshirin Tirkashovna, Saidov Murodbek Ulug'bek o'g'li, Sobirova Iroda Ulug'bek qizi, Axunova Rayhon O'ktamboyevna, <i>Modern approaches to teaching various equations of planes in space using contemporary software</i> , Urgench State Pedagogical Institute Bulletin, Scientific-Theoretical and Methodological Journal, May 2025 Mahmudova Nazokat, Yamgirova Gulshirin, Sa'dullayeva Nilufar, <i>Trigonometric form of complex numbers: Theory and practical applications</i> , Urgench State Pedagogical Institute Bulletin, Scientific-Theoretical and Methodological Journal, ISSN: 2992-8796, No. 3, May 2025
CURRENT RESEARCH	Yamgirova Gulshirin Tirkashovna, <i>Simple methods for solving parameter-dependent inequalities</i> , Materials of the Republican Scientific-Practical Conference on Innovative Technologies in Science, Technology and Vocational Education: Problems and Solutions, October 18-19, 2024 Yamgirova G., Iskandarov R., Haydarova D., <i>Effective use of multimedia tools in geometry lessons</i> , Materials of the Republican Scientific-Practical Conference on Innovative Technologies in Science, Technology and Vocational Education: Problems and Solutions, November 5, 2024 Yamgirova Gulshirin Tirkashovna, <i>The professional development of school teachers in Finland: A case study of mathematics education</i> , Journal of Applied Science and Social Science
ACTIVITY IN THE 2024–2025 ACADEMIC YEAR	Published 1 methodological guide and 2 scientific articles in journals indexed in the OAK database Participated in 5 international and national conferences
