ACTIVITY IN THE 2022-2023 ACADEMIC YEAR	In the 2022-2023 academic year, 2 textbooks (co-authored), 1 monograph, and 4 scientific articles (1 in a prestigious foreign journal, 1 in a journal listed in the OAC) were published and presented at 2 conferences (1 in republican conferences). participated. During the academic year, he participated in 2 republican, 5 regional, and 10 institute-level socio-political, spiritual and educational events. Also, the Master's department organized all the events for the purpose of meaningful free time for the master's students, and in order to study the living conditions of the master's students and to provide them with practical assistance, the temporary residences of the master's students living on rent were visited 10 times. During the academic year, there were no cases of violations among professors and teachers teaching at the master's department.
